Atlantic Mirugai

Scientific Name: *Panopea Bitruncata*

Type: Frozen

Packaging: 70 x 200g

Size(s): -

Origin: Taiwan

Sustainable: Unavailable

Halal: Unavailable

Hint of sweetness and a nice chewy texture.

A versatile ingredient especially for soup.

Also known as the Atlantic geoduck clam, this seafood features a uniquely chewy texture and a mild, sweet flavor. It's best enjoyed as a topping for salads and Yu Sheng, or incorporated into Japanese dishes. Quick frying also enhances its delightful taste.
